

STAGE PLOT

Get in touch re: sound issues:
Joe Glover - cell: (434) 298-4242

Summary:

- 5 band members (4-front, 1-back)
- 5 vocal microphones
- Five 1/4" instrument pickup plugs
- OUR cordless in-ear monitors, with priority on vocal mics and bass

Our mixer, your speakers?

In some cases, it's best for us to use our own mics, mixer, and monitors (all wireless), connecting a mono output (XLR) to the house mixer and speakers.

< Stage Rear >

Joe (The Dad)
Plays upright bass behind the 4 kids

Jack
Plays guitar, sings lead

Rebekah
Plays fiddle, sings harmony

Emily
Plays mandolin, sings harmony

Victoria
Plays banjo, sings lead

< Stage Front >

IN-EAR MONITORS: We have a single channel, wireless, in-ear monitor system. It requires one XLR (or 1/4") monitor out with priority on vocal mics and bass.
